Related Experience

Rocket Resource Web Application

This was my personal project at Prime Digital Academy. An application directed towards kids that is meant to serve as a resource for families that want to make model rocketry a hobby.

- Illustrator
- Webstorm
- HTML5
- CSS3
- AngularJS
- Bootstrap
- Passport
- GruntJS
- JavaScript
- MongoDB
- Mongoose
- Express.js
- Node.js

DocentEDU

This is my group project at Prime Digital Academy. The client requested that we replace the current Embed Resources page on the DocentEDU website with a solution that both automates the data storage and collection as well as creates a more intuitive user experience

- Illustrator
- Webstorm
- HTML5
- CSS3
- jQuery
- Bootstrap
- Passport
- JavaScript
- MongoDB
- Mongoose
- Express.js
- Node.js
- API

Portfolio Website

A side project with the goal to re-do my design portfolio website using the various languages acquired during my time at Prime Digital Academy

- Illustrator
- Webstorm
- HTML5
- CSS3
- AngularJS
- Bootstrap
- GruntJS
- JavaScript
- Express.js
- Node.js

Software Knowledge

MEAN Stack	AJAX
Webstorm	MongoDB
HTML5	Mongoose
CSS3	Express.js
jQuery	Bootstrap
AngularJS	Illustrator
Node.js	Dreamweaver
GruntJS	InDesign
Git	Photoshop
GitHub	After Effects
Heroku	

Education
